Chris, Nicole and Rita:

Please see email below for an invitation to a [REDACTED] tire crumb facility to collect information for the tire crumb study. Would you like to respond to let them if we are interested?

Monica

Dear Monica,

I have just been on the webinar about the EPA study and appreciate the information.

I believe we have a state of the art crumb rubber facility and as part of collecting information for the crumb rubber study I would very much like to invite you and your team to our plant [REDACTED]

In case the study may have some financial limitations, [REDACTED] is ready to sponsor the airfares.

Look forward to hear from you.

Best regards
